Hyphens ("-") mean that no statistical data exists.

The statistics on the number of death sentences issued by the High Courts and the Supreme Court, as compiled by the Japan Federation of Bar Associations, "Considering the Abolition of the Death Penalty(https://www.nichibenren.or.jp/activity/criminal/deathpenalty/shiryu.html#data02_1)", were calculated using the following formulas:

[total sentences in High Courts] = [dismissal] + [reversed and rendered] + [withdrawal]
 [total sentences in Supreme Court] = [dismissal] + [reversed and rendered] + [withdrawal]

4. Number of death sentences in Supreme court (Since 1956)

The following statistics are based on the "Annual Report of Judicial Statistics ('Shiho-Tokei') ('司法統計年報,' from FY1956 to the present)".

YEAR	Total number of sentences in Supreme Court	Outcomes of Supreme Court proceedings in cases of death sentences imposed by High Courts						Supreme Court substituted lesser sentence of High Court court with death penalty	Sources	
		Number of appeals	High Court judgments reversed		Appeal dismissed	Indictment dismissed	Appeal withdrawn		Results of the Supreme court in case of death penalty sentenced by High Courts: Annual Report of Judicial Statistics ('Shiho-Tokei') II(Criminal)	Reversed by High Courts and imposed the death penalty
			Supreme Court imposed sentence	Supreme Court remanded/tr ansferred						
			death penalty	sentence other than death penalty						

We calculated these same statistics by using the following formulas:

[total sentences in High Courts] = [dismissal] + [reversed and rendered]

[total sentences in Supreme Court] = [dismissal] + [reversed and rendered]
